

The Thirteenth MCI group Project client meeting will be held in Teams at 10.00 Am on Friday 4 June 2021

## Agenda

**Chair:** Xuanji Li

**Secretary:** Menghan Li

### **1 Apologies**

None.

### **2 Presentation**

None.

#### **2.1 Functional requirements and Presentations in Last Meeting**

Our team shows the demo of this project, and also shows some basic functions of our website.

Clients give some opinions about the website. Besides, he also mentions that we should implement a loop between professors and clients.

## **2.2 Problems and solutions**

1. We change some functions in register part of this project.
2. We finish the comment function of this project, so the administrator can write comment in their pages and professor can revise the projects based on this comment.
3. Since 17<sup>th</sup> June is the presentation data, what should we prepare on this presentation.

## **3 Requirements Elicitation**

3.1 The whole project is based on the professor and the administrator, in order to upload some complected proposals for students.

3.2 We know many things about team cooperation. It is real goods for us in the future.

## **4 Other Issues**

No.

**Note: Next meeting will be held on 17th June 2021**
