The fifth MCI group Project client meeting will be held in Teams at 2.00 pm on Thursday 1 April 2021

Agenda

Chair: Runtao Zhuge

Secretary: Yifei Xu

1 Apologies

None.

2 Presentation

None.

2.1 What kind of tools we will use

We are trying to find a tools that easy to use and fast to learn for all of us.

Assign team roles to the project for the next several weeks.

Prepare for the business case and ensure that the content to be presented is sufficient.

2.2 Problems and solutions

1. We assigned some tasks in next several weeks.

2. According to the last meeting, we modified our slides to make the best effect.

3. We are tring to find a esay tools that we can learn and deploy fast.

Now we have some alternatives:
1.Node.JS
2.Express
3.Django
4.Vue
5.SpringBoot

3 Requirements Elicitation

3.1 Business Case should contain content from pitch slides.

3.2 We should explore more about how to run a business project

4 Other Issues

What is milestone 1 plan mainly focus?

What things exactly we should deliver through business case?

Note: Next meeting will be held on 8th April 2021
